

Appendix 1

The Behaviour Rainbow – Linford (KS1)

Children begin each week at the top of the Rainbow, in the ‘GOLD’ section. Children who remain in this section for the whole week are rewarded with Golden Time on a Friday afternoon – this is a selection of fun activities from which they are able to choose.

Should a child break one of the Golden Rules, they move down the rainbow and consequences are imposed:

Section of the Rainbow	Consequence
Orange	A warning is given
Red	5 minutes time out
Blue	10 minutes Golden Time is missed and a note is put in the Home/School Book
Indigo	15 minutes Golden Time is missed and a note is put in the Home/School Book
Violet	Children are sent to see the KS1 Manager and parents are informed via letter or telephone

All children have the opportunity to earn their way back up the Rainbow throughout the week with sustained acceptable behaviour.
