

# LEARNING JOURNAL

SUMMER TERM 2009

# LARCH

### **Literacy:**

This term we will be looking at traditional tales and plays. We will be focussing on developing our understanding of characters and language. We will also be rewriting our own versions of texts.

### **Maths**

In maths we will be looking at numbers –ordering numbers and extending number sequences. We will also be solving word and number problems. We will be developing our recall of 2 and 10 times tables facts. We will also continue to study 2D and 3D shapes, looking at their properties.

Our topic this half term is all about **Medieval life**.

### **Science**

We will be studying materials. In particular we will learn about the sources of materials and their uses as well as understanding more about their properties. We will look at how to change materials using heat or force.

### **RE**

In RE we will be studying Christianity and Judaism looking in particular at important people within those two religions.

### **ICT**

We will be using the computers to find out new information. We will also be learning how to use programmable toys.

### **Art and design**

Our design work will be centred on designing, constructing and evaluating our own medieval mosaics based on original art.

### **PSHE**

We will be focussing our work around the theme of 'relationships'. This will include circle times to discuss our own ideas as well as small group and whole class work.

### **History**

We will be learning about the Battle of Hastings and life in medieval times. We will also explore the Bayeux tapestry and create our own versions.

### **PE**

Athletics and net games, including tennis, will be done with Sport Support coaches.

### **Music:**

In music we will be exploring instruments and pitch. We will also begin to compose and conduct our own music.
